7 **UNITED STATES DISTRICT COURT**
8 **IN AND FOR THE WESTERN DISTRICT OF WASHINGTON**

9
10 MG PREMIUM LTD, a limited liability
company organized under the laws of the
Republic of Cyprus,

11 Plaintiff,

12 vs.

13 DOES 1-20, d/b/a YESPORNPPLEASE.COM
14 and/or VSHARE.IO,

15 Defendants.

Case No.

**COMPLAINT FOR DAMAGES AND
INJUNCTIVE RELIEF**

DEMAND FOR JURY TRIAL

16
17 Plaintiff MG Premium Ltd (hereinafter referred to as “Plaintiff” or “MG Premium”) by and
18 through its counsel of record files this Complaint against Defendants Does 1-20, d/b/a
19 Yespornplease.com and/or vshare.io (collectively hereinafter referred to as “Defendant” or
20 “Defendants”).

21 **PRELIMINARY STATEMENT**

22 1. MG Premium is among the world’s leading providers of premium adult
23 entertainment content. By this lawsuit, MG Premium seeks to protect thousands of its copyrighted
24 audiovisual works from blatant infringement by Defendants.

25 2. The conduct that gives rise to this lawsuit is egregious and willful. Defendants own
26 and operate websites engaged in the business of copying and distributing infringing audiovisual
works. Under the guise of acting as a distributor of “user-generated content,” Defendants in fact are

1 directly and knowingly involved in the trafficking of tens of thousands of pirated works – including
 2 thousands of works owned by MG Premium. Moreover, though Defendants are not “service
 3 providers,” not engaged in the storage of content at the direction of users, and thus are not entitled
 4 to any of the safe-harbors afforded under Section 512 of the Digital Millennium Copyright Act
 5 (“DMCA”) (17 U.S.C. § 512), Defendants do not even attempt to comply with their obligations
 6 under the DMCA. Instead, Defendants systematically refuse to comply with proper and compliant
 7 DMCA takedown notices.

8 3. Defendants’ actions are causing serious harm to MG Premium and its business and
 9 must be put to a stop immediately. Because Defendants will not do so voluntarily, MG Premium
 10 now comes before this Court seeking injunctive relief and substantial damages.

11 **JURISDICTION AND VENUE**

12 4. This is a civil action seeking damages and injunctive relief for copyright
 13 infringement under the Copyright Act, 17 U.S.C. § 101 *et seq.*

14 5. This Court has subject matter jurisdiction over MG Premium’s claims for copyright
 15 infringement and violation of the Digital Millennium Copyright Act pursuant to 28 U.S.C. §§ 1331
 16 and 1338.

17 6. Defendant Does 1-20 are currently unknown individual(s) and/or entity(ies) that own
 18 and operate two websites, one located at the uniform resource locator
 19 (“URL”) <https://yespornplease.com> (the “YesPornPlease Web Site”) and the other located at the
 20 URL <https://vshare.io> (the “VShare Web Site”).

21 7. Defendant Does 1-20 act in concert with each other in the operation of the
 22 YesPornPlease Web Site and the VShare Web Site.

23 8. The YesPornPlease Web Site and the VShare Web Site are operated in concert with
 24 each other for purposes of the copyright infringement allegations alleged herein.
 25
 26

1 9. Defendants knowingly and purposefully market to and target the entire United
2 States, including residents of this District, through the YesPornPlease Web Site, directly supported
3 by and in concert with the VShare Web Site.

4 10. Based on a website analysis overview report prepared by Similarweb.com, an
5 industry trusted web site analytics company, dated January 2020 (the “SimilarWeb Report”), for the
6 three-month period ending December 31, 2019, the YesPornPlease Web Site averaged
7 approximately 96.63 million monthly visitors. Of these users, visitors from the United States made
8 up the largest market at 17.63%, with the next largest market being visitors from Poland at 5.21%.

9 11. Based on the SimilarWeb Report, for the three-month period ending December 31,
10 2019, Internet traffic driven to the YesPornPlease Web Site from social media platforms came
11 predominantly from United States based entities, such as Youtube, LLC, a California based
12 company, which accounted for 62.32% of such traffic, Facebook, Inc., a California based company,
13 which accounted for 14.15% of such traffic, and Reddit, Inc., a California based company, which
14 accounted for 9.33% of such traffic.

15 12. Defendants utilize domain name servers for the YesPornPlease Web Site that are
16 located in California and owned by Cloudflare, Inc., a corporation incorporated under the laws of
17 the State of Delaware.

18 13. Defendants utilized, at times relevant herein, Name.com, Inc., a corporation
19 incorporated under the laws of the State of Nevada that has an address in Colorado, as the domain
20 registrar for the YesPornPlease Web Site.

21 14. Defendants have attempted to hide their identity as the registrant of the
22 YesPornPlease Web Site by use of a United States privacy services, Domain Protection Services,
23 Inc., a corporation incorporated under the laws of the State of Nevada that has an address in Denver,
24 Colorado.

1 15. Defendants utilize Namecheap.com, a corporation incorporated under the laws of the
2 State of Delaware and headquartered in California that provides an address in Phoenix, Arizona for
3 contact information, as domain registrar for the VShare Web Site.

4 16. Advertising links on Yespornplease.com were once displayed from hibinds10.com, a
5 domain hosted in New York at Webair Internet Development Company, Inc.

6 17. The YesPornPlease Web Site displays geo-targeted pop-up advertisement to U.S.
7 users, meaning the operators of the web site have means to determine the general locale of each user
8 and displays advertisements consistent and/or specific to the U.S.

9 18. Defendants use of U.S. vendors for domain name servers, privacy services,
10 advertisers, geo-targeted ads and other services illustrate that Defendants are expressly aiming their
11 web site and business at the United States Market.

12 19. Upon information and belief, the Defendants all transact business in this Judicial
13 District by way of their interactive website and through their interactivity with United States and
14 Washington residents who have been offered the infringing and unlawful content at issue herein and
15 who have, themselves, engaged in acts of infringement in this District and State. The Court has
16 personal jurisdiction over the Defendants, who have engaged in business activities in and directed to
17 this District and have committed tortious acts within this District or directed at this District. The
18 Defendants are amenable to service of process pursuant to the state Long-Arm Statute, and
19 Fed.R.Civ.P. 4(e).

20 20. Any alien defendant is subject to jurisdiction in any district. See 28 U.S.C. 1391
21 (“An alien may be sued in any district.”) See also Fed. R. Civ. P. 4(k)(2).

22 21. This Court has subject matter jurisdiction over Plaintiff’s federal claims pursuant to
23 17 U.S.C. § 101 et seq., 28 U.S.C. §1331 and 28 U.S.C. §1338.

24 22. Venue is appropriate in this District pursuant to 28 U.S.C. § 1391(b) and/or (c).

25 23. This Court has personal jurisdiction pursuant to 28 U.S.C. §§ 1391(b), (c) and/or

MG Premium is, and at all relevant times was, a private limited liability company organized under the laws of the Republic of Cyprus, and has its head office at 195-197 Old Nicosia-Limassol Road, Block 1 Dali Industrial Zone, Cyprus 2540. MG Premium is the holder of the copyrights associated with many well-known brands of adult content, including “Reality Kings”, “Brazzers”, MOFOS”, “Babes.com”, and “Twistys” among others.

25. MG Premium owns and operates one of the largest portfolios of premium adult-oriented audiovisual content in the world. MG Premium routinely registers copyrights in its contents with the U.S. Copyright Office.

26. A schedule of the MG Premium copyrighted works at issue in this case thus far, which have been registered with the U.S. Copyright Office, is attached hereto as Schedule A (the “Subject Works”).

27. MG Premium licenses its content for valuable consideration, including for display on various adult entertainment web sites.

28. MG Premium has never authorized or given consent to Defendants to use their copyrighted works in the manner displayed or exploited by Defendants and as complained therein.

29. Upon information and belief, Defendants own and operate the YesPornPlease Web Site and the VShare Web Site.

30. Upon information and belief, the YesPornPlease Web Site and the VShare Web Site are each based and operated outside the United States, with full intention of broadcasting, distributing, or making available content in the United States and earning money from the United States market. It appears that the YesPornPlease Web Site is hosted by a company in Russia, but it is currently unknown where the owners and operators are located.

31. Defendants Does 1 through 20 are the owners, operators, shareholder executives, and affiliates of the YesPornPlease Web Site and the VShare Web Site. MG Premium is unaware of the true names or capacities of Does 1 through 20. MG Premium is informed and believes, and

on that basis alleges, that Does 1 through 20 either (a) directly performed the acts alleged herein, (b) were acting as the agents, principals, alter egos, employees, or representatives of the owners and operators of the web sites, and/or (c) otherwise participated in the acts alleged herein with the owners and operators of the web sites. MG Premium will amend the complaint to state the true names of Does 1 through 20 when their identities are discovered.

STATEMENT OF FACTS

32. The YesPornPlease Web Site is a pirate website, displaying copyrighted adult entertainment content without authorization or license. The YesPornPlease Web Site is operated in conjunction with the VShare Web Site, wherein purported Internet users desiring to post videos on the YesPornPlease Web Site must actually upload the video to the VShare Web Site and then are directed to “copy and paste” the URL assigned to the uploaded video on the VShare Web Site onto the YesPornPlease Web Site.

33. In order to gain access to all of the highly interactive web site represented functions, users of the YesPornPlease Web Site must sign up for an account. Internet users can simply watch videos on the YesPornPlease Web Site for free without an account.

34. The sign-up process for the YesPornPlease Web Site requires entry of a username, password, email address, gender identity, age certification, agreement to Terms of Use and Privacy Policy, and captcha entry (Completely Automated Public Turing test to tell Computers and Humans Apart).

35. Neither Terms of Use nor Privacy Policy exist on the YesPornPlease Web Site. Selecting either link results in redirection to the site’s homepage.

36. The entry of an email address during the YesPornPlease Web Site sign-up process does *not* result in an email verification for the user.

1 37. Once a YesPornPlease Web Site user has signed up, the user can, among other
2 things, post videos for display on the site.

3 38. A user cannot upload a video directly to the YesPornPlease Web Site. In fact, a user
4 cannot upload on the YesPornPlease Web Site without utilizing the VShare Web Site.

5 39. To post a video on YesPornPlease Web Site, users are instructed to first upload the
6 video on the VShare Web Site. Once the video is uploaded onto the VShare Web Site, instructions
7 on the YesPornPlease Web Site tell the user to copy the URL assigned to the video by the VShare
8 Web Site and paste the link on the YesPornPlease Web Site.

9 40. A user may anonymously upload content onto the VShare Web Site without
10 providing identifiable information. In fact, a user may upload content onto the VShare Web Site
11 with a simple “drag and drop” process.

12 41. Users of the YesPornPlease Web Site are provided the following instruction for
13 uploading content:

- 14 1. Visit vShare.io (<https://vshare.io/?upload=1>), vShare.io is a free
15 service that allows you to upload and store your files.
- 16 2. Upload your file. Just follow the instructions on vShare.io
17 (<https://vshare.io/?upload=1>). It is a simple drag & drop process.
- 18 3. Get the link. Press Get a link to file in your File Manager. Link
19 should look like that: <http://vshare.io/d/xxxxxx>

20 42. While the process appears to have the user posting an embedded link on the
21 YesPornPlease Web Site, such is not the case as it appears the YesPornPlease Web Site and VShare
22 Web Site share servers or the YesPornPlease Web Site copies the video from the VShare Web Site
23 onto its own server.

24 43. When viewing the video on the YesPornPlease Web Site, the URL *does not* lead
25 back to the VShare Web Site as it would if the video were an embedded link being served from
26 VShare. Rather, the video streams from a YesPornPlease Web Site URL, indicating that it is
streamed from a location utilized specifically by the YesPornPlease Web Site.

1 44. When viewing the video on the YesPornPlease Web Site, a moving intermittent
2 watermark is visible on the videos stating that “This video was uploaded to Yespornplease.com.”

3 45. If one were to locate a video available on the YesPornPlease Web Site on the
4 VShare Web Site, the video would also display the watermark stating, “This video was uploaded to
5 Yespornplease.com.”

6 46. On the YesPornPlease Web Site page where a user is directed to add a video, the
7 user is informed:

8 “We accept only full-length HD [1080p source file] videos with original
9 title and full list of tags. [Example]. You can add 1 videos [sic] daily. The
10 more your videos are accepted to HOT section the more you can add every
11 day. Focus on quality not quantity.”

12 47. Thus, while initially only permitted to post one video per day, users are encouraged
13 to post higher quality videos in order to receive an increase in the limits to their posting on the
14 YesPornPlease Web Site.

15 48. The encouragement for users to earn increased posting limits comes with a
16 monetary reward. When posting a video on the VShare Web Site, users are further informed of an
17 affiliate program whereby they can earn money. By becoming an affiliate to the VShare Web Site,
18 users can earn money for each view of a video on the YesPornPlease Web Site posted through the
19 VShare Web Site. The affiliate’s payout rate is determined based upon a variety of factors,
20 including file size (calculated in minutes), the amount of content downloaded, and the length of
21 time content is watched/viewed. The more content watched, the more money an affiliate makes.

22 49. The example link that is/was utilized as an illustration of *quality* directs the user to a
23 web page on the YesPornPlease Web Site that features professionally produced infringing content
24 from Brazzers Network, for which MG Premium holds the copyrights.

25 50. The scheme to monetize the unlawful copyright infringement on the YesPornPlease
26 Web Site may not be obvious to the general observer. There are currently no advertising banners

1 visible on the site, though such were present during earlier documentation of the infringements
2 alleged herein. However, advertising was and is the sole manner in which Defendants make
3 money on the YesPornPlease Web Site.

4 51. Instead of static banner advertisement, upon viewing videos on the YesPornPlease
5 Web Site, the user will be periodically shown pop-up advertisement. A “pop-up” advertisement is
6 just that, an ad that seemingly randomly appears on the user’s screen.

7 52. The pop-up advertisements on the YesPornPlease Web Site are geo-targeted,
8 meaning the operators of the YesPornPlease Web Site have means to determine the general locale
9 of each user and displays advertisements consistent and/or specific to the locale.

10 53. Videos on the YesPornPlease Web Site may be shared on other sites, in addition to
11 the user being provided with direct links for posting on or to any social media site including, but not
12 limited to, Facebook, Twitter, Google or via Email to anyone. Such functionality makes it
13 impossible to know how many times and where an unlicensed copyrighted video has been posted
14 and displayed illegally as a direct result of Defendants unlawful display.

15 54. The YesPornPlease Web Site fails to fulfill the requisite conditions precedent to
16 qualify for the safe harbor provisions of the DMCA. Specifically, the YesPornPlease Web Site does
17 not have an appointed registered DMCA Agent. Further, Defendants fail to honor take-down
18 notices sent to the YesPornPlease Web Site and have failed to implement a reasonable repeat
19 infringer policy.

20 55. MG Premium’s agents routinely police web sites to identify infringement of MG
21 Premium’s copyrighted works. In the course of doing so, MG Premium’s agents discovered many
22 MG Premium’s copyrighted works made available, in full, to the public on the YesPornPlease Web
23 Site for free and without license or authorization from MG Premium.

24 56. Specifically, between July 2017 and January 2020 it was discovered that the
25 YesPornPlease Web Site displayed 3,078 of Plaintiff’s copyright registered works over 6,395
26 separate and distinct URLs - each a part of the YesPornPlease Web Site. These copyrighted works

1 are listed in Exhibits A with the YesPornPlease.com infringing URLs in Exhibit B, attached hereto.
2 Defendants have no authority or license to display or distribute any portion of Plaintiffs'
3 copyrighted works in the manner displayed or exploited by Defendants and as complained therein.

4 57. For a substantial portion of the unauthorized videos, MG Premium sent a series of
5 takedown notices to the YesPornPlease Web Site and to the VShare Web Site pursuant to 17 U.S.C.
6 § 512(c). Collectively, MG Premium has sent takedown notices referencing thousands of infringing
7 URLs to the YesPornPlease Web Site and to the VShare Web Site, over 98% of which have been
8 ignored.

9 58. Of the users that posted MG Premium's copyrighted works on YesPornPlease.com,
10 based upon the number of take-down notices sent, many ought to be properly classified as repeat
11 infringers under any reasonable repeat infringement policy. Defendants do not have a stated repeat
12 infringer policy and none of the users were terminated by Defendants.

13 59. Upon information and belief, Defendants have actual knowledge and clear notice of
14 the infringement of Plaintiff's titles. The infringement is clear and obvious even to the most naïve
15 observer. Plaintiff's copyrighted works are indexed, displayed and distributed on the
16 YesPornPlease Web Site and the VShare Web Site through Defendants and the Doe Defendants
17 acting in concert. Plaintiff's and other major producers' trademarks are used to index infringing
18 material along with obfuscation of watermarks and other identifiers which is evidence of knowledge
19 and intent.

20 60. By virtue of the conduct alleged herein, Defendants knowingly promote, participate
21 in, facilitate, assist, enable, materially contribute to, encourage, and induce copyright infringement,
22 and thereby have infringed, secondarily infringed, and induced infringement by others, the
23 copyrights in Plaintiffs' copyrighted work.

24 61. Defendants, either jointly, severally, actually, constructively, and with or without
25 direct concert with one another, deprived Plaintiffs of the lawful monetary rewards that accompany
26

1 its rights in the copyrighted works. Defendants disregard for copyright trademark laws threaten
2 Plaintiff's business.

3 62. Defendants intentionally, knowingly, negligently, or through willful blindness
4 avoided reasonable precautions to deter rampant copyright infringement on their website.

5 63. Defendants' acts and omissions allow them to profit from their infringement while
6 imposing the burden of monitoring Defendants' website onto copyright holders, without sufficient
7 means to prevent continued and unabated infringement.

8
9
10 **FIRST CAUSE OF ACTION**
Copyright Infringement – 17 U.S.C. §§ 101 *et. seq.*
Against All Defendants

11 64. MG Premium repeats, re-alleges, and incorporates by reference each preceding
12 allegation set forth herein.

13 65. MG Premium is the owner of valid and registered copyrights in the Subject Works.

14 66. MG Premium registered each copyright with the United States Copyright Office.

15 67. Defendants have infringed, and are continuing to infringe, MG Premium's
16 copyrights by reproducing, adapting, distributing, publicly performing, and/or publicly displaying
17 and authorizing others to reproduce, adapt, distribute, publicly perform, and/or publicly display
18 copyrighted portions and elements of the Subject Works, and/or the Subject Works in their
19 entireties, without authorization, in violation of the Copyright Act, 17 U.S.C. § 101 *et seq.*

20 68. Defendants did not have authority or license to copy and/or display the Subject
21 Works.

22 69. MG Premium has never authorized or given consent to Defendants to use the Subject
23 Works in the manner displayed and exploited by Defendants.

24 70. Defendants knew or reasonably should have known they did not have permission to
25 exploit the Subject Works on the YesPornPlease Web Site and on the VShare Web Site and further
26 knew or should have known their acts constituted copyright infringement.

1 71. Defendants' acts of infringement are willful, in disregard of, and with indifference to
2 the manner displayed and exploited by Defendants.

3 72. Defendants engaged in intentional, knowing, negligent, or willfully blind conduct
4 sufficient to demonstrate they engaged actively in the improper collection and distribution of
5 Plaintiffs' copyrighted works.

6 73. The quantity and quality of copyright files available to users increased the
7 attractiveness of Defendants' service to its customers, increased its users base, and increased its ad
8 sales revenue.

9 74. Based on information and belief, Defendants actively uploaded pirated
10 copyrighted files and/or embedded code, enabling users of the YesPornPlease Web Site and of
11 the VShare Web Site to view copyrighted videos and images for free.

12 75. Defendants controlled the files owned by MG Premium and determined which
13 files remained for display and distribution.

14 76. Defendants never implemented or enforced a "repeat infringer" policy.

15 77. Defendants either were aware, actually or constructively, should have been aware, or
16 were willfully blind that pirated copyrighted materials comprised the most popular videos on
17 the Defendants websites.

18 78. Defendants, through the YesPornPlease Web Site and the VShare Web Site,
19 affirmatively and willfully accommodated Internet traffic generated by the illegal acts.

20 79. Defendants' conduct was willful within the meaning of 17 U.S.C. § 101, *et seq.* At a
21 minimum, Defendants acted with willful blindness and reckless disregard of MG Premium's
22 registered copyrights.

23 80. Because of their wrongful conduct, Defendants are liable to MG Premium for
24 copyright infringement. See 17 U.S.C. §501. Plaintiff suffers and will continue to suffer
25 substantial losses, including, but not limited to, damage to its business reputation and goodwill.
26

1 adaptation, public display and/or distribution of copies of the MG Premium's copyrighted works,
2 and thus to the direct infringement of MG Premium's copyrighted works.

3 88. Defendants' actions constitute inducing copyright infringement of MG Premium's
4 copyrights and exclusive rights under copyright in the MG Premium's copyrighted works in
5 violation of the Copyright Act, 17 U.S.C. §§ 106 and 501.

6 89. The infringement of MG Premium's rights in and to each of the MG Premium's
7 copyrighted works constituted a separate and distinct infringement.

8 90. The acts of infringement by Defendants have been willful, intentional, purposeful
9 and in reckless disregard of and with indifference to MG Premium's rights.

10 91. As a direct and proximate result of the infringements by Defendants of MG
11 Premium's copyrights and exclusive rights under copyright in the MG Premium's copyrighted
12 works, MG Premium is entitled to its actual damages and Defendants' profits pursuant to 17 U.S.C.
13 § 504(b).

14 92. Alternatively, MG Premium is entitled to maximum statutory damages, pursuant to
15 17 U.S.C. § 504(c), in the amount of \$150,000 with respect to each work infringed, or such other
16 amounts as may be proper under 17 U.S.C. § 504(c).

17 93. MG Premium is further entitled to their attorneys' fees and full costs pursuant to 17
18 U.S.C. § 505.

19 94. Because of Defendants' acts and conduct, MG Premium has sustained and will
20 continue to sustain substantial, immediate, and irreparable injury, for which there is no
21 adequate remedy at law. Unless enjoined and restrained by the Court, Defendants will
22 continue to infringe MG Premium's rights in the Subject Works. MG Premium is entitled to
23 temporary, preliminary, and permanent injunctive relief to restrain and enjoin Defendants'
24 continuing infringing conduct.
